

# Kibw rth

The amazing Well and Railway Arms are working together to produce food parcels and hot meals for the vulnerable across Kibworth, but they need food and cash donations to keep going.

They are in particular need for the following items:

- Pasta
- Rice
- Tinned tomatoes
- Fruit juices
- UHT milk
- Long life puddings
- Any basics that are tinned or packeted
- Soap
- Toothpaste

If you have any of these spare or you can buy an additional item for them when you shop that would be brilliant!

You can leave donations in the Co-op Food Bank box or at the Well between 10am and 12pm any week day (except Good Friday and Easter Monday)

Please make sure that your own families don't go short if you've reached your allowance.

Sam at the Railway Arms also wants to give every family they get meals to an Easter Egg. He is asking local businesses for donations but if you could spare one or two that would be lovely.

The gofundme page for The Railway Arms is here.  
<https://www.gofundme.com/f/railway-arms-buy-to-provide>  
So far they have reached £830 of their £1000 target.  
It would be great if they could go beyond that.  
Thank you so much to all those who donated last week.

We are all making such a difference here during these difficult times!
